

**Data Summit—  
From Collection to Action:  
Using Data to Guide Continuous Improvement**

**Thursday, February 13, 2020, 8:00 AM – 3:30 PM**

Renaissance Los Angeles Airport Hotel  
9620 Airport Boulevard, Los Angeles, CA 90045

**Meeting Outcomes**

*This summit is an opportunity for teams from California State University (CSU) campuses to deepen their understanding of the use of data to guide continuous improvement and address issues of equity and access in the context of student success in entry-level mathematics/QR and written composition courses.*

**Participants will share strategies for:**

- *Creating processes for collecting data that define and identify areas of concern and providing timely access to multiple stakeholder groups*
- *Exploring issues of equity and access through disaggregation of data for populations of interest leading to analysis for actionable change*
- *Sharing data with campus communities to promote collective responsibility in a trusting, problem-solving environment*
- *Disseminating findings to promote campus-wide engagement in student success.*

**Agenda**

<b>7:00am – 8:30am</b>	<b>Registration and Breakfast</b>
<b>8:30am – 8:45am</b>	<b>Welcome and Introductions</b> <i>Alison Wrynn, CSU CO and Elizabeth Adams, CSUN</i>
<b>8:45am – 9:45am</b>	<b>Moving from Data to Action</b> <i>Ravneet Tiwana, SJSU</i> <i>A discussion of the path from data collection to action: the collection and analysis of the data, the communication and dissemination of the findings, the final step of implementation. Who is involved in each stage, and how do they see their role? How to ensure that equity and access is addressed?</i>
<b>9:45am – 10:00am</b>	<b>Break</b>

- 10:00am – 11:00am**                      **Using Assessment Tools to Collect and Analyze Data**  
**Deborah Oh, Cal State LA**  
*Campus teams shall present a tool (dashboards, focus groups, exams, surveys, other) that is used as a basis for current or future action, and discuss using different tools for different courses or different student categories/attributes.*
- 11:00am – 12:00pm**                      **Data to Findings to Action**  
**Janet Oh, CSUN**  
*Campus teams shall present a data point that was collected and analyzed, a finding made, and possibly an action planned or taken.*
- 12:00pm – 12:15pm**                      **Project to Collect EO 1110 Curriculum Data**  
**Claudia Pinter-Lucke, CSUCO**  
*An update on the effort currently underway to create a comprehensive EO 1110 QR curriculum data set.*
- 12:00pm – 1:00pm**                      **Lunch Round Tables**  
*Sit with your team or sit with your colleagues.*
- 1:00pm – 2:00pm**                      **Using data to promote shared responsibility across course sections for student success**  
**Matt Jones and Sharon Lanaghan, Dominquez Hills**  
**Lisa Tremain, CSU Humboldt**  
*Discuss best practices for creating a shared responsibility to improve student success and make lasting change. Learn how to use section-level data while navigating through sensitive issues that can be obstacles to progress.*
- 2:00pm - 3:30pm**                      **Developing a Campus Action Plan**  
**CAIQR/ITL Team**  
*Campus teams will develop a plan to take back to their campuses listing plans for data-driven progress including such steps as research questions, data collection, analysis, findings, dissemination, and implementation.*
- 3:30pm**                                      **Closing**  
**Emily Magruder, CSU CO**
